That might be a good idea... but I know they limit access to a small number. I suggest discussing with Ivry on whether we want to pursue that approach and if we should otherwise re-evaluate our SPOC access list.

Morning Bill,
I shadowed Ivry this morning on this process. At any point should I have SPOC access in the case that either of you are out?

Hello Ivry.

Attached is ORC's request for an OEI email search in the above-referenced FOIA matter. Although I am the attorney assigned to this matter, Bea Wong will be covering it for me while I am on leave from May 10th through May 29th.

Bea and I would greatly appreciate it if you can obtain an estimate from OEI regarding how long they will need before completing this search. A response is due on May 18th, and this estimate will give Bea a better idea whether she needs to extend the response deadline.

Thanks!
